ADVENTURE WITH DOGS

JEN & SITKA

BLOGGER, PHOTOGRAPHER, CONTENT CREATOR

Long Haul Trekkers is one of the web's premier sources about outdoor adventure and travel with dogs. Since 2015, I have traveled the world with my dogs in tow, pedaling across continents, hiking up mountains, running through forests, and road tripping to new places. I prove to my audience that you don't have to leave your dog at home. If I go, they go.
